ATTN: **MARLEY**
 FROM: **Dariusz Bogdan Niewiński / „CEZAR” P.P.**
 DATE: **January 13, 2009**
 SUBJECT: **CEZAR Company Products**

Dear Sirs,

The current raw materials supplier, **Kęty Group** is the most modern and quickly developing company in the aluminium sector in Poland. At this time it is estimated that the group's share in Polish market is 50%.

Modern machine park, advanced technologies, high products quality, professional service as well as huge experience, knowledge and abilities of the employees make the Kęty Group a modern European company offering aluminium solutions and high class flexible packages for main market segments.

One of the key customers of the Kęty Group is the „CEZAR” company treating the product quality as the most important aspect of its operations. As a result we are able to offer our Customers products manufactured according to the European norm:

PN/EN 573-3-EU

In addition the raw materials supplier has all the necessary certificates, i.e.:

- ISO 9001:2000 IQ NET
- HACCP
- QUALANOD
- ISO 14001:2004
- ISO 18001 (OHSAS 18001)
- EN 15088:2006

Yours Faithfully
